This company is now, working to its full capacity, and is prepared to supply the trade, with its various brands of Chewing- and Smoking-Tobaccos. In addition to the experience and attention of the present management, the company will have the b-nefit of the assistance and advice of Mr. John Wright, who founded the company, and built up its excellent reputation and established its brands. We keep a very large assortment of the BEST IMPORTED ABDOMINAL SUPPORTERS, which are unsurpassed in construction and fit, light, durable, and at reasonable prices. A private department is reserved for fitting and selecting, with a lady always in attendance.

TRUSS FITTING is our specialty. We guarantee a perfect fit, and to hold the ropture comfortably in every case we undertake to fit. We find it impossible to hold the various forms of hernia with kny one style of Trues, as unbearable pressure would be necessary to hold pressure would be necessary to hold the out of the country. We have had long experience in truss fitting, and always have given entire satisfaction.

We confine ourselves strictly to the SURGICAL-INSTRUMENT LINE and its various appliances, paying close attention to this special line of business to the advantage of our customers, giving them the benefit of a large stock of superior goods to select from, never before seen in the city.
